

MIDDLE SCHOOL FILM

Invisible

Yunji Kim, Grade 8

Kraemer Middle School, Placentia

Teacher: Cathleen Smith

Survivor Testimony: Paula Lebovics

Paula Lebovics was invisible for most of her life. She spent her entire childhood hiding in horrible living conditions and survived by being unnoticed in crowds. Her story showed me the bravery and courage she had to overcome her worst fears. Being separated from her family, living in hiding with her brothers, and standing up to the German soldiers, are examples of what she had to go through and how she persevered. Paula Lebovics' testimony impacted me to see the world differently, and gave me a story to tell.
