The resources below provide educators with additional information about contemporary antisemitism. This list is not intended to be comprehensive.

- [Introduction to Contemporary Antisemitism](#) by Echoes & Reflections  
This handout, written for students, is a brief introduction to antisemitism after the Holocaust and includes information about current manifestations of antisemitism today.
- [Antisemitic Attitudes in America: Conspiracy Theories, Holocaust Education and Other Predictors of Antisemitic Belief](#) by ADL's Center for Antisemitism Research  
This report details correlations between those who believe in conspiracy theories and other falsehoods to levels of antisemitic beliefs. It also demonstrates that people with more knowledge of the Holocaust generally believe in less antisemitic myths and tropes.
- [Antisemitic Attitudes in America: Topline Findings](#) by ADL's Center for Antisemitism Research  
This report details topline findings on belief in anti-Jewish tropes and anti-Israel sentiment. The report also includes an analysis of the ways in which anti-Jewish attitudes and anti-Israel sentiments converge and diverge, illuminating several new avenues for understanding antisemitism.
- [Antisemitism Today](#) by Yad Vashem  
This series of videos explores the many roots of antisemitism from the ancient world to today. It includes commentary from some of the leading experts in the world on antisemitism, its various roots, and the many manifestations it has taken throughout history.
- [Countering Antisemitism through Testimony](#) by USC Shoah Foundation  
Search the USC Shoah Foundation for testimony from victims of antisemitism, past and present, including the October 7, 2023, attack on Israel by Hamas.
- [Guidance for Holocaust Educators Related to the Israel/Hamas War](#) by Echoes & Reflections  
This resource for educators, in response to the October 7, 2023, attack on Israel by the terrorist group Hamas, is intended to provide guidance and resources to help Holocaust educators address these current events with students specifically as they relate to identifying and understanding antisemitism and the use/abuse of Holocaust history in this moment.
- [Antisemitism Here and Now](#) by Deborah Lipstadt  
In a series of letters to an imagined college student and colleague, both perplexed by the resurgence of antisemitism, the author gives an analysis of its current, virulent incarnations. (Penguin Random House, 304 pages, 2019)
